2. Remember what we've said and
Done and felt about each other.
Oh, babe, have mercy.
Don't let the past remind us of
What we are not now.
I am not dreaming.
3. Tearing yourself
Away from me now,
You are free, and I am crying.
This does not mean I don't love you,
I do, that's forever,
Yes, and for always.
4. Something inside is telling me that
I've got your secret.
Are you still list'ning?
Fear is the lock and
Laughter the key to your heart.
And I love you.

Bridge 2. Tuesday morning,
Please be gone, I'm tired of you.
What have you got to lose?

Bridge 3. I've got an answer,
I'm going to fly away.
What have I got to lose?

Bridge 4. Will you come see me
Thursdays and Saturdays? Hey, (hey,) hey.
What have you got to lose?

6. Voices of the angels, ring around the moonlight,
Asking me, said she so free,
"How can you catch the sparrow?"

Outro translation:

How happy it makes me to think of Cuba,
The smiles of the Caribbean Sea.
Sunny sky has no blood,
And how sad that I'm not able to go.

Additional Lyrics

2. A time to build up, a time to break down;
A time to dance, a time to mourn;
A time to cast away stones;
A time to gather stones together.
3. A time of love, a time of hate.
A time of war, a time of peace.
A time you may embrace,
A time to refrain from embracing.
4. A time to gain, a time to lose.
A time to mend, a time to sew.
A time for love, a time for hate.
A time for peace; I swear it's not too late.

Guitar Notation Legend

THE MUSICAL STAFF shows pitches and rhythms and is divided by bar lines into measures. Pitches are named after the first seven letters of the alphabet.

TABLATURE graphically represents the guitar fingerboard. Each horizontal line represents a string, and each number represents a fret.

Notes:

Strings:

4th string, 2nd fret 1st & 2nd strings open, played together open D chord

HALF-STEP BEND: Strike the note and bend up 1/2 step.

WHOLE-STEP BEND: Strike the note and bend up one step.

GRACE NOTE BEND: Strike the note and bend up as indicated. The first note does not take up any time.

SLIGHT (MICROTONE) BEND: Strike the note and bend up 1/4 step.

BEND AND RELEASE: Strike the note and bend up as indicated, then release back to the original note. Only the first note is struck.

PRE-BEND: Bend the note as indicated, then strike it.

VIBRATO: The string is vibrated by rapidly bending and releasing the note with the fretting hand.

PALM MUTING: The note is partially muted by the pick hand lightly touching the string(s) just before the bridge.

HAMMER-ON: Strike the first (lower) note with one finger, then sound the higher note (on the same string) with another finger by fretting it without picking.

PULL-OFF: Place both fingers on the notes to be sounded. Strike the first note and without picking, pull the finger off to sound the second (lower) note.

LEGATO SLIDE: Strike the first note and then slide the same fret-hand finger up or down to the second note. The second note is not struck.

SHIFT SLIDE: Same as legato slide, except the second note is struck.

TRILL: Very rapidly alternate between the notes indicated by continuously hammering on and pulling off.

TAPPING: Hammer ("tap") the fret indicated with the pick-hand index or middle finger and pull off to the note fretted by the fret hand.

NATURAL HARMONIC: Strike the note while the fret-hand lightly touches the string directly over the fret indicated.

PINCH HARMONIC: The note is fretted normally and a harmonic is produced by adding the edge of the thumb or the tip of the index finger of the pick hand to the normal pick attack.

TREMOLO PICKING: The note is picked as rapidly and continuously as possible.

VIBRATO BAR DIVE AND RETURN: The pitch of the note or chord is dropped a specified number of steps (in rhythm) then returned to the original pitch.

VIBRATO BAR SCOOP: Depress the bar just before striking the note, then quickly release the bar.

VIBRATO BAR DIP: Strike the note and then immediately drop a specified number of steps, then release back to the original pitch.
